ELECTRONIC PRODUCTS THREE YEAR LIMITED WARRANTY

Welcome to the family of Wadia owners. This is the Warranty for your new Wadia Home Electronic Product (the “Product”). Your Product has been designed to give many years of trouble-free performance. Nonetheless, failures do sometimes occur even with equipment as well-built as Wadia’s. Therefore, please read this Warranty carefully, because it contains rights, as well as limitations, exclusions, and obligations, which in the event of such a failure may be very important to you. If after reading it thoroughly, you have any questions about the Warranty, please do not hesitate to write or telephone Wadia at the address or phone number shown on the back of this warranty. Please note that this is the only Warranty which Wadia provides

for your Product, and that no one, including your dealer, has any authority to either modify or expand upon this Warranty. If your dealer has offered or made any warranties or representations concerning the Product which differ from those contained in this Warranty, they are strictly between you and the dealer, and will neither be binding upon Wadia nor change any of the provisions in this Warranty. Please also note, that if your Product ever does require Warranty service, obtaining such service will be much easier if you have completed Product Registration on Wadia’s Web Site, www.wadia.com/Register. So please take a few minutes to register your Wadia Product now, before you become too distracted by the great sounds coming from your new Wadia Product!

Scope and Duration of Warranty

Subject to the terms and conditions stated below, Wadia Digital, LLC. (“Wadia”) warrants to the original owner that this Product shall be free from defects in workmanship or materials for a term of three (3) years from the date when it was purchased from an Authorized Wadia Dealer. Provided, however, that rather than the three (3) years of coverage afforded the Product generally, where applicable hard disc drives contained in our Products are warranted for one (1) year from the date of purchase.

Limitations on Persons and Products Covered by this Warranty

This Warranty and all rights provided here under are limited to the original owner. In the event that the original owner transfers ownership of the Product prior to expiration of the three-(3) year term, this Warranty shall terminate in its entirety upon the date of such transfer. In addition, Wadia does not warrant in any way Products which are purchased from anyone who is not an Authorized Wadia Dealer, or which have had their Serial Numbers altered or defaced. Therefore this Warranty is void and inapplicable if this Product has been purchased from someone other than an Authorized Wadia Dealer, or has had its original Serial Numbers altered or defaced.

Geographical Limitations

This Warranty has been included with a Wadia Product that is designed, intended to be sold and used only within the United States and Canada. Accordingly, this Warranty only applies to Products which are purchased in the United States or Canada, and only applies while such Products are used in the United States or Canada. Products purchased outside the United States or Canada, and failures occurring outside the United States or Canada, are not covered by this Warranty.

Limitations on Non-Wadia-Provided Services

Certain Wadia Products are designed to employ non-Wadia-provided services (such as, by way of example only, Amazon Cloud, Pandora, etc.), some of which require separate customer subscriptions and some of which do not, as part of the Products’ functionality. Because Wadia cannot control the providers of such services or the services themselves, the owner of the Product therefore assumes all risks related to the use of services provided by anyone other than Wadia itself. Wadia cannot and does not warrant against, and shall have no liability of any kind for any of the following that are attributable to non-Wadia providers or services: (i) interruption, discontinuance, or other unsatisfactory performance of service; (ii) reduced Product functionality that is so attributable; or (iii) any other loss or damage of any kind that is so attributable.

What Wadia will do under the Warranty

In the event of any defect covered by this Warranty, Wadia shall without charge provide all parts, materials, and labor necessary to restore the Product to its original specifications. After repair, Wadia shall return the Product to its owner at the owner’s expense. In the alternative, Wadia may at its sole option either replace the Product without charge, or if replacement is not commercially practicable or repair or replacement cannot be accomplished within a reasonable time, Wadia may refund the purchase price of the Product, subject where appropriate to reasonable depreciation for actual use in accordance with applicable laws, in full satisfaction of its warranty obligations. Wadia or its Authorized Service Agency will undertake to complete the repair and return of the Product as soon as circumstances permit, unless prevented by causes beyond their reasonable control.

Limitations on Wadia’s Obligations under the Warranty

Wadia’s sole Obligation under this Warranty shall be to repair or replace the Product, or at its option refund the purchase price, as provided for hereinabove. Wadia does not warrant against, nor shall it be liable for, any of the following: removal or installation charges; shipping expenses either to or from Wadia or its Authorized Service Agency; loss of use; property damage of any kind; or other incidental or consequential damages or losses of any kind.

Note: Some states do not allow exclusion or limitation of consequential damages, so the foregoing exclusions may not apply to you.

Parts and Occurrences that are not Covered by the Warranty

This Warranty does not cover any of the following: (a) panels, cabinetry, trim, or other appearance items (except where they are defective at the time of original sale and the Product is delivered for repair within the first thirty (30) days thereafter); (b) batteries, or damage to the Product caused by failure of batteries; (c) loss of, or damage or corruption to, digital data, files, or other information content of any kind, regardless of cause; (d) failures arising from accident, catastrophe, misuse, neglect, or failure to properly connect and operate the Product in accordance with the accompanying instructions; (e) failures arising from improper installation or removal of the Product; or (f) failures arising from any tampering, alteration, or damage to the Product or attempted servicing of the Product by anyone other than Wadia or an Authorized Wadia Service Agency; and Wadia shall have no liability or obligation of any kind with respect to any of the foregoing types of failures.

What the Owner must do to obtain service under this Warranty

To obtain service under this Warranty, the owner must at the owner’s expense arrange for any necessary de-installation of the Product, and deliver or ship the Product to Wadia at the address below, or to an Authorized Wadia Service Agency, properly packaged, prepaid, and insured at the owner’s expense. In addition, the owner must provide evidence that the Product is at the time of delivery within the scope of his Warranty, by either having completed Registration on the Wadia Web Site, or by including the original sales receipt (photocopies are not acceptable) with the Product when it is delivered for repair.

What the Owner must Pay For

As noted above, the owner must pay any expense of removing the Product from its installation, and must pay any expenses for delivery of the Product to Wadia or the Authorized Wadia Service Agency. Upon return of the Product to the owner following repair, it shall be the owner’s responsibility to pay for the shipping charges incurred in return of the Product, as well as to arrange and pay for any re-installation which may be required. In addition, it shall be the owner’s obligation to pay for any repairs made to any Product for which the owner has neither completed Registration on Wadia Web Site nor included the original sales receipt with the Product when delivered for service, at Wadia’s or its Authorized Service Agency’s then-current repair rates.
